GALLERY FUNDRAISER

Norcross Shapes (formerly known as Norcross Squares) is a fundraising event to support the non-profit Norcross Gallery and Studios. Artists determine two prices: starting price for bids and the full price (a cash and carry price) of each of their pieces of art. The prices are entered on their bid sheet (provided by the gallery). Prospective buyers can bid in increments of \$10 or more. Buyers have the option of stopping the bidding on their chosen piece of artwork by buying the artwork at the full price and paying for it at that time. Bidding continues on the artwork until Saturday, October 10 at 2 pm unless the artwork has been sold at full price and paid for prior to that time.

For this fundraiser event, artists need to donate either 50% of the sale price or 100% of the sale price to the gallery (and the artist decides which one). This helps support our gallery which is completely run by **volunteers** and is a 501(c)3 non-profit organization. Your contributions are greatly appreciated.
